BLACKOUT SCHEDULED

School, police, and block authorities yesterday pledged their complete cooperation in the state-wide practice blackout scheduled for Monday. Alarm sirens will be sounded from military police guard towers.

A committee of internal security officers yesterday met with Lt. John P. Karpen, commanding officer of the military police, to map out the exact procedure to be followed. Complete blackout instructions will be carried in Saturday's edition of the PIONEER.

PART TIME PAY FOR STUDENTS

Effective since Dec. 1, any regularly enrolled student who holds a center job is considered a part time worker and as such is not entitled to full wages. James G. Lindley, project director, announced yesterday. Exceptions will be made upon mutual agreement by the employer, chief of employment, and the superintendent of education.

Other rules state that no regularly enrolled student shall work for pay in excess of four hours on school days; no student shall work for pay between 8:45 a.m. and 3:45 p.m. on school days unless on signed permission from his principal.

No child under 14 years of age shall be hired for pay on the project; no student, aged 15 or 16, shall work unless on approval by his principal.

This new policy was adopted to eliminate dissatisfaction among full time workers and because it was felt that regular attendance is necessary to maintain suitable class and pupil schedules.

DRAFT REGISTRATION TO START FRIDAY

All nisei 18- and 19-year-old men in the Granada relocation center will register under President Roosevelt's sixth selective service proclamation beginning Friday at the office of Walter J. Knodel in the south administration building.

Evacuees who are working outside the center are to register with selective service officials of the particular county in which they may happen to be during the registration period.

Excerpts from the presidential proclamation:

"(a) Those who were born on or after July 1, 1924, but not after Aug. 31, 1924, shall be registered on any day during the week commencing Friday, Dec. 11, 1942, and ending Thursday, Dec. 17, 1942;

"(b) Those who were born on or after Sept. 1, 1924, but not after Oct. 31, 1924, shall be registered on any day during the week commencing Friday, Dec. 18, 1942, and ending Thursday, Dec. 24, 1942;

"(c) Those who were born on or after Nov. 1, 1924, but not after Dec. 31, 1924, shall be registered on any day during the period commencing Saturday, Dec. 26, 1942, and ending Thursday, Dec. 31, 1942;

"(d) During the continuance of the present war, those who were born on or after Jan. 1, 1925, shall be registered on the day they attain the 18th anniversary of the day of their birth; provided, that if such anniversary falls on a Sunday or a legal holiday, their registration shall take place on the day following that is not a Sunday or a legal holiday.

"Every male citizen of the United States is required to and shall during the time or on the day fixed herein for his registration present himself for registration before a duly designated registration official or selective service local board having jurisdiction in the area in which he may happen to be during that time if such male cit-

izen has not heretofore been registered under the Selective Training and Service act of 1940, as amended, and the regulations prescribed there under."

PAY STATION CHANGE MADE

The workers' pay story on page four stands corrected, in accordance with a last minute change by T. Read Hanson, principal fiscal accountant. All pay will hereafter be distributed from the engineers' building by the front gate instead of from the PIONEER office as originally stated. Otherwise, the story is as it appears.

Winter Stock Purchased

Winter clothing for women and men, additional groceries, and nationally advertised toys will be sold by the center stores. Joseph L. Rogers, community enterprise superintendent, announced Monday, after returning from a four-day buying trip in Denver. Rio Kashiwagi and George Morey also made the trip.

Ski suits, slacks, men's sheep-lined jackets, heavy underwear, and shoes are included in the new stock.

The clothing store will be remodeled by Christmas, according to Kashiwagi. A toy department is being considered.
